

# Hitler a Christian?

By David J. Stewart

Did you know that Adolf Hitler professed to be a God-fearing Christian? It is true...

*"Hence today I believe that I am acting in accordance with the will of the Almighty Creator: by defending myself against the Jew, I am fighting for the work of the Lord."* –Adolf Hitler (Mein Kampf)

Scary huh? We are to submit to government as a general rule, for this is pleasing to the Lord (Romans 13:1-3). God hates rebellion against authority (Jude 1:8-10); however, as citizens of the United States, we are entitled to ask questions of our government.

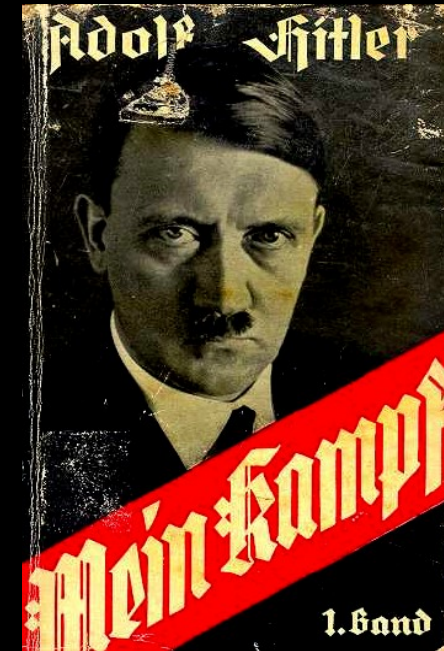

We pay their salaries. If our government leaders lie to us, hide the truth, commit crimes, and deal deceitfully with us--then we have a God-given right to demand justice. If we don't get justice, then we have a right to take the necessary steps to change government.

If you don't believe this, then you are saying that our founding fathers sinned by revolting against the tyrannical rule of England. I know this article will likely offend many Christians, because the average believer today has been brainwashed to submit to authority at all costs, even if it means being victimized and criminalized by that authority.

We must say NO to government *National ID Cards*, surveillance, anti-hate speech laws, collecting of personal information, and other infringements upon our personal freedoms. If you don't believe me, then please listen to the honorable [Congressman Ron Paul](#)

## Police State U.S.A.

I realize that many Christians are offended by that little bumper sticker that says *QUESTION AUTHORITY*; but you know, that's the best message I can offer to you today. We should ask questions of the authority that we financially support, and we have that God-given RIGHT. I know some pastors that have labeled certain church members as "rebels" for merely questioning the pastor's judgment.

Folks, that is wrong. If you tithe in ANY church, you have a 100% RIGHT to ask questions. If Catholics and Lutherans would **QUESTION the authority** of their priests and ministers, they'd forsake those false religions and follow Jesus Christ instead. If America's churches would QUESTION the Bush Administration concerning the facts of 911, they'd find that *The White House* is adamantly defiant, uncooperative, and deceitful on the entire matter. We have a RIGHT to ask questions of authority, especially if we're financially supporting that authority.

Every penny that OUR government BORROWS from the *Federal Reserve Bank* (which is PRIVATELY OWNED by the way) is **DEBT THAT WE OWE!!!** This is one of the **most hideous evils** in American government that woefully needs to be exposed. Our government's leaders have placed you and me (U.S. citizens) over \$9,000,000,000,000 in massive DEBT!!! Yet, when's the last time you heard your pastor preaching against this horrible evil in America? The Federal Reserve SCAM is equally as sinful as abortion and witchcraft! The Federal Reserve THEFT of taxpayer money is equally as dirty and rotten as adultery, murder, pornography, and idolatry!

Although leaders in authority often seek to label those who question their words and actions as disloyal and rebellious, nothing could be further from the truth. Good and honest leadership should have nothing to hide. Our federal government has MUCH to hide, and they're building **concentration camps** to imprison its citizens when they finally wake up. **Those who gullibly believe that they should never question or rise up against suspicious or criminal acts by authority are vulnerable to deception, tyranny, and of becoming a victim.** Freedom and tyranny will never be friends, nor can be.

Most Americans today, believers included, have their heads buried in the sand. It's time to awake to righteousness, and obey the words of Ephesians 5:11... "*And have no fellowship with the unfruitful works of darkness, but rather reprove them.*" The Bible does NOT teach blind allegiance to men, i.e., man's government. What we need to do as Christians today, is to cry aloud against the crimes being committed by our top leaders, and call for justice! Many Christians consider this a form of anarchy, or being inappropriate--nothing could be further from the truth. Don't fall for the Satanic lie that God wants us to offer our unquestioning support, and admiration, for criminals.

President Ronald Reagan betrayed the American people, allowing greedy corporate elites to move their companies overseas, and into Mexico. **Millions of Americans lost their manufacturing jobs** as a result. **Operation Garden Plot**, a system of American concentration camps, was developed under Reagan's Administration. Hundreds-of-billions of dollars in illegal drugs were trafficked into the U.S. by the CIA under Reagan's Administration, and **Oliver North is NO American Hero**. He's a drug-trafficking hero!

Nancy Reagan brought demonic astrology into *The White House*. Astrology, which had been illegal in California, was legalized by then govern, Ronald Reagan. Reagan's Presidential Administration **supported abortion**, just like George W. Bush's administration, which has **funded BILLIONS of dollars** to *Planned Parenthood* (Murderhood), the biggest abortion services provider in America.

Get mad at me if you want to... the average Christian today believes all the whitewashing propaganda they hear from

the criminals in Washington D.C.; and thus, think people like Reagan are such wonderful Christian men. Reagan was a movie-star turned puppet, who sold his soul to Satan to blindly go along with the crimes of the *New World Order* gang. Just because Reagan made some great statements in defense of the Christian faith DOESN'T mean anything.

Listen to what **Adolf Hitler** said...

*"My feelings as a Christian points me to my Lord and Savior as a fighter. It points me to the man who once in loneliness, surrounded by a few followers, recognized these Jews for what they were and summoned men to fight against them and who, God's truth! was greatest not as a sufferer but as a fighter. In boundless love as a Christian and as a man I read through the passage which tells us how the Lord at last rose in His might and seized the scourge to drive out of the Temple the brood of vipers and adders.*

*How terrific was His fight for the world against the Jewish poison. To-day, after two thousand years, with deepest emotion I recognize more profoundly than ever before the fact that it was for this that He had to shed His blood upon the Cross. As a Christian I have no duty to allow my self to be cheated, but I have the duty to be a fighter for truth and justice... And if there is anything which could demonstrate that we are acting rightly it is the distress that daily grows. For as a Christian I have also a duty to my own people."*

Yet, Christians continue to idolize these evil men because of deliberate propaganda designed to brainwash conservatives and Christians. [Homeland Security has even sent a liaison to Hollywood](#) to incorporate brainwashing

propaganda into its movies. The Devil rewards his own. Don't you see what's happening? Our recent Presidents have been nothing more than chosen puppets of the *New World Order* puppeteers. Barack Obama's not even a U.S. citizen. His real name is Barry Sottero. Mr. Obama doesn't even put his hand over his heart at the White House when they sing the Pledge Of Allegiance. Can you imagine... our nation's highest leader isn't even patriotic? May God punish this wicked nation!

Bill Clinton was one of the rottenest presidents America ever had, and even impeached, but yet they [honor him](#). Clinton dodged the Vietnam draft. When he was appointed U.S. president, it was the biggest insult our government and nation ever could have made to every veteran of war. What hypocrisy! This is America today. Whatever decency we once had as a nation and people is gone, gone, gone!!!

How does a draft dodging, lying, stealing, womanizing, whoremongering, murderous, law-breaking, criminal become an American hero??? Even some of [America's church leaders have praised Bill Clinton's "spirituality."](#) It's not a coincidence that recent U.S. Presidents and certain high-powered leaders have been continually uplifted as honorable men. It's their bloody reward for playing the game, being accomplices to crimes, keeping their mouth shut, and betraying the American people. It's sickening. A lot of crimes were committed under Reagan, but he played the game like a good little puppet, and so he is greatly honored.

The following 1:44 hour documentary film is shocking, filled with fascinating information (please watch now)...

### ***Hitler Carried Around a Hindu Holy Book!***

It's complicated but more or less, Aryans of WWII were essentially "Nordic Europeans"; that is, tall, blond-haired, blue-eyed, fair skinned, white men.

It really dates back to the racial pseudo-sciences of the late 1800's/early 1900's (which have since been debunked and are now extinct). The Nazis believed they were superior to everyone else and used perverted science to justify their claims.

It gets complicated when you start breaking down the supposed racial groups and Nazi religious beliefs. Jews, Africans and Arabs were Semites and were not of the Aryan race. The Aryan race was made up of Europeans, Indians and Persians,

however, the Europeans were supposedly "less corrupted" than the Indians and Persians who had "mixed with the Semitic races".

The Nazis venerated old Norse mythology and Runic symbols, like the SS thunder bolts, but Nazi ideology was also influenced by India and Hinduism. The swastika, for example, was an ancient Hindu symbol and the word "Aryan" itself is an Indian term (that is still used in India today).

In fact, there is an odd and very, very small religious cult called "Esoteric Hitlerism" that has perverted the Hindu religion. They believe Hitler was an "Avatar" sent by the Hindu god "Vishnu" to carry out his will. Very strange indeed... and insulting to the Hindu religion for that matter.

Nazi chief, Heinrich Himmler (the instigator of the Holocaust) was said to have carried around the Hindu holy book, the Baghavad Gita, in his pocket and often quoted it to his friends. He funded many archaeological expeditions to Tibet (India was controlled by the British at the time so he couldn't go there) to look for clues of the origin of the Aryan race. When it was pointed out to him that the Roma people (or Gypsies), who he was exterminating in his death camps, were of Indian origin and fellow "Aryans", Himmler was said to have wrestled with it in his mind until he formulated an answer that "thru their endless wanderings, the Gypsies have intermixed with Semitic races and are more Semitic than Aryan".

This isn't to say that all Nazis were influenced by Hinduism, because they most definitely were not. I say this to point out how strange and hard to understand Nazi Aryanism was. In fact, most Germans of the time could not understand it themselves. It's hard to explain or reconcile because most Nazis labeled all dark-skinned people as Jews and killed them all the same, regardless if they were from India or Palestine. Nazi religion wasn't really a unified belief system. That's partly why it's so hard to understand... that and it's completely and totally irrational and insane. Some were Christians, others were Pagans, Atheists, etc...

To sum it up, the "Aryan ideal" of WWII was a backwards ideology that was fueled by a twisted, invented, pseudo-science that had existed long before Hitler was born. It was basically a tool used by European autocrats to justify their actions and get what they wanted.

### ***We Must Stand Together Or Hang Separately!***

Our leaders are committing their crimes in OUR name, and with OUR money; hence, it is OUR business. It's time for America's Christians to wake up! Adolf Hitler was idolized by millions of blind fools as a man of Christian faith (especially by American corporations, such as *IBM* and *Ford Motor Company*); while simultaneously murdering millions of innocent people. Hitler was NO Christian and is burning in Hell this moment!

Few Roman Catholics today realize the Vatican's close involvement with Hitler in murdering millions of Jews. For documentation of this evil of the Catholic Church, and even photos of Catholic priests dressed up in Nazi uniforms, please read the free online book, [SMOKESCREEN](#), by Jack Chick (please note that I do NOT agree with [Mr. Chick's corrupt teaching on salvation](#)). Don't be fooled America, [George W. Bush is NO Christian](#), and neither was Ronald Reagan. Both of these men were lifelong members of the [demonic 'Bohemian Grove'](#).

Let us remember [President Ronald Reagan](#) as he really was...

- Liar
- Thief
- Pedophile ([boystown](#))
- Homosexual (rainbow Ronnie)
- Mass murderer
- Supporter of abortion
- War criminal
- Traitor of the American people
- Destroyer of freedom
- Destroyer of the environment
- Corporate whore
- Supporter of Satanists and child murderers

It pains me to speak out against any authority; but the average Christian in America has bought into the demonic lie that we are to offer our blind support for **CRIMINALS**. Please read, [Biblical Submission to Government](#). As U.S. citizens and taxpayers, it is our DUTY to defend our liberties!
